

# Northwood CDD Community Food Drive

Many of us have been fortunate during these challenging times; however, there are some who have been less fortunate. The Thomas Promise Foundation helps families who are struggling with food insecurity. Northwood CDD has organized a food drive to assist the Thomas Promise Foundation with helping food insecure children during this difficult time.

The Thomas Promise Foundation has been helping children from food insecure homes for the past 10 years. What started out from one girl wanting to help fellow classmates in her school has turned into a foundation that currently helps provide weekend bags of food to over 1400 children within Pasco County weekly. This past year it surpassed over 2 million meals provided. Donations of non-perishable food items help ensure all children have enough food to get them through the weekend when school meals aren't available.
